

St. Ives Rowing Club

2018 Regatta Course Map

Crews will be paired up before boating and boated in divisions. Divisions will be initially held in the downstream marshalling area below the finish until instructed to proceed upstream by a marshal. Once past the start divisions will be held in the upstream marshalling area above the start until instructed to proceed to the start by a marshal. Crews finishing races will be held in the downstream marshalling area until instructed to proceed to the landing stages by a marshal. At all times normal navigation rules apply keep to the north bank heading upstream and the south bank when heading downstream.

Saturday 23rd June 2018
550m downstream on the
River Great Ouse
