

St. Ives Rowing Club

REGATTA COURSE MAP 2026

- Crews will be paired up before boating and boated in divisions.
- Divisions will be initially held in the downstream marshalling area below the finish until instructed to proceed upstream by a marshal.
- Once past the start, divisions will be held in the upstream marshalling area above the start until instructed to proceed to the start by a marshal.
- Crews finishing races will be held in the downstream marshalling area until instructed to proceed to the landing stages by a marshal.
- At all times normal navigation rules apply keep to the north bank heading upstream and the south bank when heading downstream.

550m downstream
on the
River Great Ouse
